

# Filament LED™ S14

PB-S14-4-WN-27-E26-D

AXP Filament LED™ S14 is an ideal energy saving choice for recreational and decorative applications.

## Product Data

### • General Characteristics

Cap-Base	E26
Rated Avg. Life (Hours)	20000 hrs
Materials	Aluminum
Cover	Glass

### • Light Technical Characteristics

Beam Angle	>280°
Color Temperature	2700K
Approximate Lumens	350 Lm
CRI/RA	> 80
IP Degree	IP64

### • Approval & Certificates

CE marking	Yes
RoHS	Yes
UL	Yes

### • Electrical Characteristics

Wattage	3.5 W
AC Voltage	120 V
Line Frequency	60 Hz
Power Factor	> 0.5
Dimmable	Yes

### • Temperature Characteristics

T-case maximum	120 F
Operating temperature (min to max)	-4 to 113 F
T-Storage (min to max)	-22 to 149 F

### • Product Dimensions

Width A1	1.75 in
Height A2	3.45 in

### • Warranty

Under normal operating condition (3 to 12 hrs/ day)	2.5 yrs
